All-Ukrainian conference on higher education with international participation

«Environmentally oriented higher education. Methodology and practice – 2021»

Kharkiv, KhNAHU, October 28-29, 2021

Dear colleagues! We invite you to take part in the All-Ukrainian conference on higher education with international participation "Environmentally oriented higher education. Methodology and Practice – 2021", which will take place within the framework of the main principles of the "Strategy for the Development of Higher Education in Ukraine for 2021-2031" and the ERASMUS + project «Synergy of educational, scientific, management and industrial components for climate management and climate change prevention» 619119-EPP -1-2020-1-NL-EPPKA2-CBHE-JP on the basis of the Department of Ecology of Kharkiv National Automobile and Highway University.

*Sincerely, Chairman of the Conference Organizing Committee,
Rector of KhNAHU prof. Viktor BOGOMOLOV*

CONFERENCE TOPICS:

1. Greening of higher education.
2. Innovative approaches to the implementation of higher education; international programs to support the development of education and international experience in developing methodological support for the training of specialists in sustainable development and environmental protection (including the Program UNITWIN/UNESCO Chairs).
3. Modern methodology of ecological training of specialists.
4. Practical aspects of retraining and advanced training of specialists in the field of environmental protection and sustainable development.
5. Round Table "Synergy of educational, scientific, management and industrial components for climate management and climate change prevention" (CLIMAN) – challenges and tools for effective implementation (for CLIMAN project partners and heads of UNESCO departments).

REQUIREMENTS FOR CONFERENCE MATERIALS:

Proceedings of the conference will be published in the form of a printed collection of materials, which will be assigned an ISBN number; the electronic version of the proceedings of the conference will be posted on the page of the Department of Ecology of the official website of KhNAHU in the section "Scientific activity" – "Conferences".
