

We invite you to participate in the  
VII International Scientific and Practical Conference

# ENERGY-SAVING MACHINES AND TECHNOLOGIES

## Organizer

Kyiv National University  
of Construction and Architecture

May 19-20, 2026

Kyiv, Ukraine

 <http://esmt.knuba.edu.ua/>

## Conference Topics

- Energy-saving means of mechanization for the restoration of facilities and structures;
- Innovative technologies for the restoration of Ukraine's infrastructure;
- Methods of system modeling, monitoring, and diagnostics of technical objects;
- Application of energy-efficient and energy-saving technologies in material processing and creation;
- Challenges of higher education in training specialists during wartime and post-war periods;
- Theoretical, practical, and cognitive aspects of economic and management development in construction;
- Environmental protection technologies.

## Format of Participation

Hybrid: in-person and online participation through video conferencing and webinar services.

## Conference Regulations

The conference will be held in a hybrid format through **plenary and sectional sessions**.

Duration of a **plenary report** – up to 20 minutes, a **sectional presentation** – up to 15 minutes. **Student scientific presentations** – 10 minutes. Accompanying materials will be available for both sectional and plenary sessions.

**Working Languages** – Ukrainian, English.

Additionally, time will be allocated for the presentation of completed dissertation works, discussions on expanding international cooperation, and deepening scientific contacts.

An electronic collection of conference abstracts will be published, as well as the "Construction Engineering" collection, which is included in the List of Professional Publications of Ukraine, Category "B" (<http://tehbud.knuba.edu.ua/>).

## Conference Calendar

- Submission of participant applications and abstracts – until **May 14**;
- May 18 – arrival and accommodation of conference participants;
- May 19 – 9:00 AM – registration of conference participants;
- May 19 – 10:00 AM – opening of the conference and plenary session;
- May 19 – from 12:00 PM to 3:00 PM – sectional sessions;
- May 20 – from 9:00 AM to 2:00 PM – sectional sessions;
- May 20 – 2:00 PM – closing ceremony: summarizing the conference, recognizing participants, and official closing.

## Participant Registration and Abstract Submission

To participate in the conference and have your report included in the conference program and abstract collection, it is necessary to fill out the participant application form and send the electronic version of the abstract formatted according to the requirements. The abstract file must be uploaded in MS Word format (\*.doc or \*.docx).

Registration instructions are provided on the "Rules for submitting abstracts" page:

[http://esmt.knuba.edu.ua/?page\\_id=62](http://esmt.knuba.edu.ua/?page_id=62)

You can fill out the participant application form by following the link and selecting the appropriate section: <https://esmt.work/event/1/registrations/>.

You can submit an electronic version of the abstracts on the "Abstract Submission" page using the following link: <https://esmt.work/event/1/abstracts/>.

Please note that the maximum number of authors per report should not exceed four. If necessary, the information you provide may be adjusted. You will receive a confirmation e-mail regarding your registration.

## Abstract Formatting Requirements

The abstract should be no less than **3 full pages**, including illustrations, graphs, tables, and references, prepared in MS Word, A4 paper size (210×297 mm), margins: top and bottom – 2.5 cm; left and right – 2.0 cm; font – Times New Roman, line spacing – single (1.0), paragraph indentation – 0.9 cm.

Full formatting requirements and an example of an abstract are available at: <https://esmt.work/event/1/overview>.

## Attention!

1. The content of abstracts will be preliminarily reviewed by the organizing committee. The committee reserves the right to reject an application if the registration procedure is not followed or if the abstract formatting requirements are not met. The author is responsible for the content and editing of the abstracts.

2. Based on the decision of the organizing committee, selected presentations may be published as articles in the professional journal "Construction Engineering" (Category "B").

3. Accommodation, meals, transportation tickets, and participation in cultural events are at the participants' own expense.

## Conference Venue Address

*Kyiv National University of Construction and Architecture*, 31 Povitrianykh Syl Avenue, 03037, Kyiv, Ukraine.

### Contact Information

Secretary of the Organizing Committee – Oleksandr Diachenko, e-mail: [esmtconference@gmail.com](mailto:esmtconference@gmail.com)

Mobile.: +38 (095) 020-0955

### Organizing Committee

**Chairman** – Ivan Nazarenko

### Deputy Chairmen:

Oleg Dedov, Mykola Klymenko, Volodymyr Rashkivskiy.

### Members of the Organizing Committee:

Mykola Ruchynskiy, Yevhen Mishchuk, Serhiy Oryshchenko, Dmytry Mishchuk, Ihor Kosminsky.
